

FOR IMMEDIATE RELEASE

METAXCHANGE.AI Expands AI-Powered Enterprise Ecosystem with Strategic Acquisition of JY88 Groceries in Malaysia

Fort Lauderdale, FL – May 26, 2026 — METAXCHANGE.AI, INC., an AI-powered Digital ERP Media Hub catalyst specializing in intellectual property licensing and technology-driven enterprise platforms, today announced the acquisition of an **81% controlling interest in JY88 Groceries Sdn Bhd**, further strengthening its expanding portfolio of strategic operating subsidiaries and advancing its long-term "[Pearl String](#)" acquisition strategy.

JY88 Groceries, headquartered in Malaysia, specializes in the sales and supply of essential consumer products including grocery foods, rice, sugar, and cooking oils. The acquisition adds an established and revenue-generating business to the METAXCHANGE ecosystem, supported by **2025 audited annual sales of approximately \$3 million USD (RM13.6 million)**.

The addition of JY88 Groceries represents another strategic "pearl" in METAXCHANGE's growing AI ecosystem, reinforcing the company's vision of building a connected network of businesses operating under a unified AI-enabled infrastructure. Through its disciplined acquisition strategy centered on majority ownership positions, METAXCHANGE.AI continues to enhance shareholder value by creating synergies among its operating subsidiaries and accelerating enterprise adoption of artificial intelligence technologies.

"Our strategy is not simply acquiring companies — it is building an interconnected ecosystem where each business becomes smarter, more efficient, and more valuable through AI-powered infrastructure," said **Ahmad Moradi, Chairman & CEO of METAXCHANGE.AI, INC.** *"JY88 Groceries brings proven revenue, strong market fundamentals, and additional opportunities for technology-driven growth within our expanding enterprise network."*

About JY88 Groceries Sdn Bhd
